Custom Religious Books & Goods Ordering Solutions

Your parish, school, or organization can now order religion textbooks and other wholesome Catholic materials from a family owned Catholic business for discounted prices. We work with publishers to get you lower prices and keep your costs down making it more affordable and possible to “teach towards the love that never ends”. **Contact us at: business@catecheticsonline.com for more information today!**

Our text ordering solutions are primarily for high volume ordering needs. Your group will be assigned a specially trained agent with a degree in theology and catechetics to help you with your ordering. If you spend \$500 or more in one year on textbooks or other religious goods we can probably save you money. As an example, one Catholic parish we worked with went from a textbook budget of \$8,000 to only \$2,000 after working with us for 2 years. The average parish or school that orders textbooks saves around \$1,000 a year.

Bonus Gift Certificates: Depending on the amount you order you will qualify for free merchandise that can be used on your next order of \$100 or more.
