

# God's Salvation

## **God's Grace**

Since man fell into sin man can only be saved because of God's gracious acts towards him. Romans 3:23,6:23

## **Justification**

We are justified by Faith through Jesus Christ who died for our sins. Eph 2:8-9

## **Sanctification**

## **Merit**

Man, by free will, actively chooses to obey God's law and live a Christian life, but only by his faith in Christ and by God's grace. Matt 25, Phil 2:12

## **Holiness**

This free choice of man by faith and by God's grace allows man to seek deeper intimacy with Jesus. Romans 8:28-30
